

Walk On Water

I was lost alone
I had no-one else to turn to
Overwhelmed by the things
That this world can offer
I look to You
My Lord and Saviour
I will walk on water with You
Right beside me
In the raging storm
Safe in Your arms there I will be

I have found a friend
Who is closer than a brother
The one who died for me
On the cross of Calvary
His love lasts
For ever and ever
I will walk on water with You
Right beside me
In the raging storms
Safe in Your arms there I will be
