

# **(Your Grace Is) My Strength**

Standing here to know You more,  
Waiting here to see Your face  
You alone are my desire, You are

**Jesus, Lord of my life  
And I give You full control**

Show me Your ways, my love  
Let Your grace be my strength when I am weak  
Break me, make me, fill me, send me

Your love draws me close to You  
Your blood washes me of every sin  
You are everything to me
